Explanation of the Mastermind Process

A MasterMind Manifesting group is a unique group of people utilizing the MasterMind principles for achieving collective and individual goals. MasterMind Manifesting groups use the power of the One Mind in the following fashion:

"No two minds ever come together without, thereby, creating a third invisible, intangible force which may be likened to a third mind." The human mind is a form of energy, a part of it being spiritual in nature. When the minds of two people are coordinated in a spirit of harmony, the spiritual units of energy of each mind form an affinity, which constitutes the power of the MasterMind."

MasterMind Principles

Every person is a personalized expression of the MasterMind, and therefore has the innate ability to tap into its power, genius and wisdom.

The MasterMind steps are a scientific method of focusing the power of thought for the specific purpose of establishing a direct connection with the MasterMind.

Through the MasterMind process, you combine your own strength with that of at least one other person, as well as that of the MasterMind. This principle is based on the premise that the combined energies of two or more like-minded individuals are many more times greater than the sum of the individual energies involved.

The MasterMind principles also teach that other like-minded individuals can believe for you, and accept as true for you, things you may find difficult to conceive or believe for yourself.

MasterMind Process

The process of MasterMinding may be likened to the act of one who connects many batteries to a single transmission wire, thereby 'stepping up' the power flowing over that line. Each mind, through the principle of mind chemistry, stimulates all the other minds in the group, until the mind energy becomes so great that it penetrates to, and connects with, the universal energy, which in turn, touches every atom of the entire universe.

A MasterMind may be created through the bringing together in a spirit of perfect harmony, two or more minds. Out of this harmonious blending of the chemistry of the minds creates a third mind, which may be appropriated and used by one or all of the individual minds. This MasterMind will remain available as long as the friendly, harmonious alliance between the individual minds exists.

Group Affirmations

Seven Steps Into The MasterMind Consciousness (*Principles*)

1. **RECOGNITION** I gratefully acknowledge that there is a loving, creative Power for Good in the Universe, which is active within me, and all others. I now claim my Oneness with that Power which is the Master Mind of my life.
2. **BELIEVING** I believe that there is a Creative Intelligence and Power responding to me, and to which all things are possible. It is not I, but that Spirit within me that doeth the work.
3. **SURRENDERING** I ask the Master Mind to take complete charge of my life, to lovingly and gently change me at depth, for my highest good.
4. **RELEASING** I am honest with myself as never before, and I willingly admit, forgive and release all mistaken judgments, erroneous beliefs and negative emotions that I have directed toward myself or others.
5. **ASKING** Knowing that I am in conscious contact with Infinite Intelligence and my Master Mind partners, I now ask for, and accept help and guidance in the area of Prosperity and Abundance.

GROUP RESPONSE: I know that the Master Mind/Spirit hears our request and it is already Done in the Mind of the One.”

6. **RECEIVING** I lovingly and gratefully accept that the Master Mind supplies me with an abundance of all things necessary to fulfill my desire. I know that the miracle working power of the Master Mind has responded to my every need. I assume the same feeling I would have if my requests were already fulfilled.

7. **COVENANT** I affirm this covenant with the Master Mind and I go forth into my life with a spirit of enthusiasm, excitement and expectancy. I am at peace.

Quotes to Inspire

“Sharing is the beginning of financial increase. Systemic giving opens the way to systemic receiving. However that giving must be done in a certain way: through the consistent sharing of your tithes with God’s work and workers at the point or points where *you are receiving spiritual help and inspiration. The word ‘tithe’ means ‘tenth’ and ancient people felt that ‘ten’ was ‘the magic number of increase.’*”

Catherine Ponder

"There are two kinds of thinking: right thinking which is due to the action of the Holy Spirit, and wrong thinking which is the reactive think of the human mind. In one process God thinks through us; the other is thinking from our conditioned, limited self. Choose you this day what you will think."

Kathianne Lewis

A committed giver is an incurably happy person, a secure person, a satisfied person, and a prosperous person. There is no such thing as a lack of faith. We all have plenty of faith, it’s just that we have faith in the wrong things. ...

Eric Butterworth, author of Spiritual Economics

“Money is like love: the more you give away, the more you have.”

Breaking Covenant by Withholding Tithes

¹⁰ Bring the whole tithe into the storehouse, that there may be food in my house. Test me in this,” says the LORD Almighty, “and see if I will not throw open the floodgates of heaven and pour out so much blessing that there will not be room enough to store it. ¹¹ I will prevent pests from devouring your crops, and the vines in your fields will not drop their fruit before it is ripe,” says the LORD Almighty. ¹² “Then all the nations will call you blessed, for yours will be a delightful land,” says the LORD Almighty.

NIV Bible – Malachi 3:10-12

Yeshua ben Joseph (Jesus of Nazareth, son of Joseph) on the Law of Tithing

38 “Give, and it will be given to you; good measure shaken down and running over they will pour into your robe. (Traditionally, Easterners carried wheat from house to house in the folds of their robes.) For with the measure that you measure, it will be measured to you”

Luke 6:38 Lamsa Bible, Aramaic translation –

AFFIRMATIONS

An affirmation is a statement about what is *really* true (despite outward appearances may lead one to believe). When you make a positive statement with conviction, you open up a space in your life for that good to appear. (Excerpted from *The Four Spiritual Laws of Prosperity* by Edwene Gaines. (p. 25)

Write out the affirmations that resonate with you, and then **speak them aloud three times a day for 21 days**. And as you're speaking the words, don't mumble! Speak them with power, from your solar plexus. Say the affirmation as if you absolutely believe it, without a doubt.

And as you're speaking, don't mumble! Speak them with power, from your solar plexus. Say the affirmation as if you absolutely believe it, without a trace of doubt.

Below are some affirmations that I like. (Edwene Gaines) You may feel free to use them, or you may want to make up some of your own. If you make up some of your own, remember the key is that you are making a statement about what you desire *as if it is already true*.

You might say any or all of the following:

- My Father/Mother God loves me.
- I am God's beloved child.
- I am forgiven for all mistakes of the past.
- It is God's good pleasure to give me the kingdom.
- I seek the kingdom in all that I experience.
- Because I serve God, I have a right to the abundant life. I have a right to riches.
- Every one of God's children has a right to abundance.
- Because I give of my time, energy, and money, I am in the flow of inexhaustible substance.
- I love to tithe to where I receive my spiritual food. I give lavishly and joyously.
- Rich, divine ideas flow through me to bless and prosper all humankind. I want God's good for everyone.
- My abundance benefits everyone, an everyone's abundance benefits me.
- I set specific goals and let God lead me to accomplish them.
- I am thankful for all my seen and unseen blessings.
- My faith in God is firmly established. I live by faith.
- My thoughts, words, and deeds are divinely creative.
- Because I am faithful in small matters, my Lord makes me master over great matters.
- Never do I seek personal credit; I glorify God in all that I do.
- I am a world server. I serve God in the world. I walk through the world transforming it as I go.
- I am joyous, peaceful, healthy, enthusiastic, wise, loving, and rich. Praise God!
- Forgiveness is my daily business. And I am faithful in prayer to cleanse my emotional nature of bitterness, irritation, blame, and guilt.
- God and I are in the business of loving, giving, and serving.
- I serve God.
- Money serves me.

The truth is that you can have everything you want in this life. You can be free from the grips of poverty, and instead live a life of joy and faith and prosperity. You can live according to your divine purpose, in line with God's plan, with everything you could possibly want or need at your fingertips. ...

Note to Facilitators:

This is designed as a mini-workshop and has been increased to 2 hours for participation and discussion depending on the size of your group.

Edwene's definition of true prosperity:

- A vitally alive physical body to provide a comfortable worldly home for the spiritual beings that we are
- Relationships that are satisfying, nurturing, honest, and work all the time
- Work that we love so much that it's not work, it's play
- And all the money we can spend

As a human being living on this planet, your life is subject to a multitude of laws. If you do not obey these laws, things are not going to go the way you want them to go, and you may even find yourself in a whole lot of trouble.

These are four spiritual laws that govern your prosperity.

Review the Four Spiritual Laws we will cover during this Prosperity Pledge Program as an overview. (p. 3, par. 3)

1. ***You must tithe 10 percent of all that you receive to the person, place, or institution where you have received your spiritual food.*** Putting God first in your finances is a dynamic act of courage. When you do so, your faith and your ability to stretch yourself, to move forward, and to expand your vision of yourself and your life increases a hundred-fold.
2. ***You must set clear-cut, tangible goals.*** Goal-setting is looking honestly at where you are, then choosing where you want to be, and then setting a clear and deliberate intention to go there. Doing so forces you to live consciously, rather than unconsciously.
3. ***You must forgive everyone all the time, especially yourself.*** Forgiveness is a discipline and a powerful spiritual practice that will enable you to feel worthy enough to live prosperously. It requires a diligence and a commitment to compassion and understanding.
4. ***You must seek, discover, and follow your divine purpose.*** You must assign significance and meaning to your life, giving yourself strength and endurance, and bringing joy to your existence on a daily basis. When you are aligned with our divine purpose, you bring a passion to all that you do.
